

The Prodigal Dungeon

Pregenerated Character Packet · Level 1 Replacement Edition

Use: This replacement packet preserves the original five canonical character concepts for *The Prodigal Dungeon* and adds complete SRD 5.1-compatible Level 1 builds for play. It is intended to supersede the earlier concept-only packet when a table needs ready-to-run pregenerated characters.

Canonical note: This packet keeps the original hooks, secrets, key choices, and Dabar prompts. The Ashenfold Child and Fray Witness now include filled narrative details so the packet can be handed to players immediately.

1. The Survey Acolyte

2. The Orrath Retainer

Class / Background: Rogue (Thief) / Criminal (Spy)

Core concept	A practical agent hired to recover property deeds from the warehouse.
Hook	Sev Orrath offered excellent pay and suspiciously few details.

3. The Ashenfold Child

Class / Background: Ranger (Hunter) / Outlander (Displaced Resident)

Core concept	You lived in the district before it fell silent, or your family did.
Hook	You remember the city breathing: gardens, market calls, and the hum beneath the paving.
Secret	You kept one object from the evacuation: a small brass garden bell from your family courtyard, wrapped in old linen so no one would hear it ring.
Key choice	Can a home be restored, or must it become a warning?

4. The Fray Witness

Core concept	You survived a brush with the Fray and have learned to notice when reality becomes imprecise.
Hook	The Ashenfold's wrong-angled shadows resemble the first signs you saw before.
Secret	You are afraid that the Static Stalker may once have been something you recognize.
